Newsletter for Sacred Heart Academy Alumnae

March 2013

Dear SHA Alumnae,

Greetings to all of you at this great time of the year. Even though the winter has not been too bad up to now, we look forward to Spring, warmth, and new life!

We have had another good year with the Sisters being healthy except for having some colds, but no flu. Sister Margaret Bebb, formerly Sister Grace, passed away in January. Now there are twenty-seven Sisters at Sacred Heart.

Homecoming was another great event on October 21st. Attendance was down to seventy-six but the spirit of joy was there for all. Some of you invited newcomers and they had a wonderful

time and do hope to come again. Thank you for inviting new Alums and please do that again!

As you read *The Echo* today, please notice another special presentation done by the Class of '61, with the work of **Rosanne Carter Polich('61)** and **Gloria Caracello('61)**. **Judith Carlisle('63)** is adding the plans of her class for this year's 50th Anniversary celebration. I invite the following classes to celebrate their anniversaries at the 2013 Homecoming: Classes of '43, '48, '53, and '58. If you need class lists to start planning, please contact me.

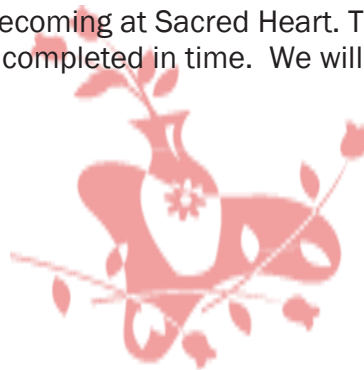

This year Homecoming is October 20, 2013. We schedule it for the third Sunday of October every year. Thank you for your positive comments on the meal. We keep aiming to have classes seated together. This year I plan to have ten Alums at all tables. Please join us for laughter, fun, catching up on each other's lives and even some nice door prizes! I look forward to being with you again and meeting some who will be attending for the 1st time.

I regret that this year we will not be able to have Homecoming at Sacred Heart. The remodeling of the Great Room (SHA auditorium) will not be completed in time. We will aim for 2014!

With love and the blessings of the Sacred Heart,

Sister Joanne Williams, OSB

~ ~ NEWS FROM OUR ALUMNAE ~ ~

We are happy to share the news gathered from SHA Alumnae at our annual Homecoming. Even if you are unable to attend Homecoming, please send along your information to Sister Joanne Williams. Your classmates are interested to hear about your life since Sacred Heart Academy. There's a form on the back of *The Echo* which you can use to send us your news.

This year, we asked the Homecoming attendees to tell us about their favorite teacher at SHA. We've included a few photos to help you remember these remarkable women.

Marie Novy Rybacki ('41): "There were many favorites over the years. **Sister De Lourdes** was very frank and also made us aware of the world outside as she had experienced in business before she entered the Convent. **Sisters Editha, Laurencia, Immaculata, and all the Sisters** added to the joy at SHA."

Marie Mazour Wallinger ('41): Marie loved all her teachers, from the smallest (**Sister Laurencia**) to the tallest (**Sister Immaculata**)-and of course **Sister DeLourdes** who was her class advisor. "God bless them all! They did a good job."

Dorothea Liska Wokas ('41): "There are too many to name. They all trained me well for the future. God bless them."

Rose Marie Spale Skizak ('47): **Sister Florence** was very nice to her. Sister went to Europe from IBC College in 1976. She also caught the girls having a midnight party.

Gloria Tysl ('48): "**Sister Editha** for History, **Sister Immaculata** for English Literature, **Sister Aemilia** for English/Literature, **Sister Alma** for Advisor and Mathematics."

Blanche Kysela Baley ('49): "two favorites: **Sister DeLourdes** and **Sister Immaculata.**"

Margaret Sykora Fullmer ('49) loved **Sister Electa** because she was so talented in the Arts.

Joan Endemann Helie ('49): Joan was not talented in music or Art, but **Sister Electa** helped her to enjoy it.

Sister Margaret Mary Schima ('49): "**Sister Editha** was very vibrant, a lover of the USA, government, and baseball."

Elaine Bortman Snella ('49): "**Sister Charlotte** was always cheerful and fair."

Sister Christine (Helen Ann) Kouba ('50): "**Sister Laurencia** was gentle, spiritual, and loved her students. She was always positive."

Marion Bowe Mozdzen ('50): **Sister Charlotte** was her "Pal" and **Sister Celine** was warm and caring.

Joanne Horth Colbert (would have been in the Class of '50): "**Clare Rose Foist** taught English. She was fabulous and loving."

Dorothy Miller Garhan('53): "**Sister Florence** was happy and full of energy."

Sister Lois Jean Jensik('53): "**Sister Laurene** because she listened to us and made classes very interesting. **Sister Alma** explained Math very well to us, and you had to listen."

Alice Salata Kelly ('53): "**Sister Florence** was so even-tempered and always smiling."

Mary Yackley Walz ('53): "**Sister Florence** because of her smile and her lovely voice."

Joan Fender Pattermann ('54): "**Sister De Sales** for Latin. This is what I remember from the class:

'Latin is a dead language, as dead as it can

be. First it killed the Romans, now it's killing me!"

This was a poem written in the back of the book.

Therese Buc ('55): "**Sister Electa** was an excellent music teacher who developed my piano skills."

Mary Pearson Fornatto ('55): "I loved all the Sisters. I remember **Sister Immaculata** when she read 'The Hound of Heaven'. We could hear the 'steps' of The Hound. **Sister Laurencia** (Spanish) loved to talk about her operation during class. I loved her too."

Carol Karvon ('55): "Too many to name just one. Many memorable women who were wonderful influences on me and I will never forget them."

Sister Barbara Ann Svec ('56): "**Mr. Rycktarik** taught Geometry. I loved the subject."

Sister JoAnne Form ('57): "**Sister Editha** taught American History. She gave her students the opportunity to study during class as she sat on a small stool on the side of the desk listening to the 'Sox' games."

Sister Joanne Williams ('57): "**Sister Mary Borgia** who taught violin lessons and **Sister Mary Electa** who was so talented in music and art. Much was learned from both sisters."

Mary Kipper Corel ('60): "**Sister Louise** taught Geometry. Sister made class fun for me and I loved Math classes. Sister had to throw a piece of chalk at me once to get my attention. I loved to talk to my neighbor after I knew the work for the day."

Janice Pattermann Kreinbrink ('60): "**Sister Joella** because she made History interesting."

Alice Nykl Sima ('60): **Sister Electa** for Chorus. Alice saw Sister Electa at a Homecoming several years ago. She stated that she loved all of her girls. They were her family and children.

Cynthia Steiner ('60): "**Sister Mary Louise** was very sweet and she was very patient with me."

Edith Hurtgen Wagner ('60): "**Sister Electa** was always supportive."

Donna Yackley ('60); Sister Mary Florence. In creative work, Sister encouraged Donna to put on paper the best way of expressing herself without making it difficult to understand.

Judy Beumer ('61): had no favorite teacher; she liked them all.

Gloria Caracello ('61): **Sister Laurencia** for Latin and Religion, **Sister Scholastica** for Biology, **Sister Charlotte** for English and Literature. Gloria loved them for their genuine and understanding care.

Margaret (Peggy) Mosquera McCann ('61): "**Sister Joella** made history so interesting. She had a great personality and could relate to her students."

Rosanne Polich ('61): "**Sister Charlotte** took an interest in each student and made English and English Literature a great experience." Rosanne loved her even after graduation and worked with her on alumnae addresses, etc. "**Sister Joella** was very personable. Many loved her history class."

Barbara Rayniak Buri ('61): **Sister Charlotte** had a great personality. **Sisters Juliana** and **Georgiana** taught skills. **Sister Joella** was great."

Patricia Seyller Smyth ('61): **Sister Joella** taught Patricia almost all four years for one course or another. "She was very knowledgeable and hard working. She showed great patience and stamina." Patricia remembers her losing her

voice at the end of her many classes.

Irma Frank Conley ('62): *"Sister Laurencia taught us to sing 'Row, Row, Row Your Boat' in Latin. I can still sing it. Professor Pinney taught many skills and had patience working with teenage girls."*

Barbara Stalmach Hocking ('63): She probably had a favorite teacher for each subject. The one Barbara remained closest to was **Sister Mary Generosa**.

Joanne Fitzmaurice Kuttner ('63): **Sister Antonette** awakened in Joanne a love of history. *"She was a teacher of competence who truly loved her subject matter."*

Rita Shimek McIntyre ('63): **Sister Electa** was her voice teacher. She taught Rita so much about music. Because of this Rita sings in her church choir and also cantors.

Mary Catherine Gibbney Tomaso ('63): **Sister Electa** taught her music and she is singing to this day. *"She was a very good teacher."*

Joan Brummel Wiczek ('63): *"Sister Louise made learning algebra fun. Sister Joella made current events enjoyable to learn."*

Carol Brummel Hinterlong ('64): *"Sister Joella always lived with a spirit of joy. She made school more fun for all."*

Marie Bartolotta ('67): **Sister Joella (Constance Ann)** set high standards and Marie learned a great deal. **Sister Grace (Margaret Bebb)** nurtured her love of music.

Rosemary Glass Karl ('67): *"Sister Laurencia for her quiet, patient personality."*

Kathleen Keilty ('67): **Sister Constance Ann** made history come alive for Kathleen. **Sister Antoinette** was another history teacher that made her love history. You would think Kathleen would have become a history teacher, but she has been an art teacher for 35 years.

Karen Maxwell Kuhn ('67): Because of **Sister Joella**, Karen came to love history. *"Sister made history interesting and relevant, not an easy task with teenage girls."*

Sharon Hatch Scott ('67): *"Mrs. Dupre taught common sense and how to live life in moderation."*

Anonymous, but worth sharing: *"Sister Joella was loving, kind, thoughtful and helpful with students who needed special attention or sought insight into problems of teens. Her experience in the public sector helped her understand her students."*

~ ~ 40s ~ ~

Dr. Gloria J Tysl ('48) (formerly **Sister Mary Antonette, OSB**): *"It is hard to keep up with me, but I've lived at the Devonshire in Hoffman Estates for about ten years, and at Sacred Heart Monastery with the Sisters for about a year. In September, 2012, I experienced deteriorating health and moved into St. Patrick's Residence, 1400 Brookdale Rd. - E249, Naperville, IL 60653. I would love to hear from any alumnae who remember me as either Gloria J. Tysl or Sister Mary Antonette, OSB."*

alive and range in age from 81 to 91.

Mary Yackley Walz ('53) misses her sister, **Roberta Yackley Modaff ('50)** greatly. Roberta passed away August 18, 2012.

Mary Kipper Corel ('60): Mary's son is Father Joe Corel who is Vocation Director for the Diocese of Jefferson City, Missouri. He was in Rome for the Diaconate Ordination of one of their seminarians. He was also present for the opening of the Year of Faith and the canonization of Kateri Tekakwitha.

Gloria Caracello ('61) is a resident of Downers Grove and substitute teacher in area Catholic schools. She also teaches 2nd grade Religious Education.

Barbara Stalmach Hocking ('63) has a new granddaughter, Hanabelle Marie, born February 28, 2012. Happy 1st Birthday, Hanabelle!

Rita Shimek McIntyre ('63) is still enjoying retirement. Next year she is taking two groups to Europe; one to France and the other to Munich, Prague and Budapest.

Karen Maxwell Kuhn ('67) plans to attend Homecoming again and again. She says to the **Class of '67**, "Come and join us!" Karen retired from nursing two years ago and loves having some free time. She is still active in her parish in Sycamore and recently completed literacy training to help local residents. She and her husband enjoy traveling and spending time with their grandchildren.

CLASS OF 1961

Welcome to our second annual Class of '61 newsletter pages. We enjoyed putting this together especially when we heard from some of our classmates and even met with some during the year. Our goal is to try and keep our class in touch with one another and we hope you find this informative and worth reading.

One thing Gloria and I learned from doing this is that some of us developed friendships with our fellow classmates that have sustained all these years. It really is amazing. What a truly great SHA class!

At our 50th reunion in 2011, Gloria and I heard some of our classmates express they would like to meet again and not have to wait 5 or 10 years. Well, we decided to do something about that. We made arrangements for an informal dinner

Front row (l - r), Judy Blatherwick Buck, Margaret Mosquera McCann, Patricia Zientek Stanley, Rosanne Carter Polich, Gloria Caracello and the late Patricia Seyller Smyth. Back row (l - r) Judy Beumer and Georgia "Jean" Schloegel Mills

at Maggiano's in Naperville in April, 2012. On the previous page is the picture of those who attended. We had a great time and would like to try this again in 2013.

During the summer, Gloria and I met with **Judy Beumer** and **Jean Schloegel Mills** for lunch. Then we're off to Judy's house to see her ponies. Judy retired from Argonne National Laboratory after 50 years of service. She now enjoys taking care of her two ponies plus two cats and a dog. Along with her "critters", she is also very busy taking care of her three acre home site in Oswego, Illinois.

Jean also lives in Oswego and she and her husband Ken are very active in their church which, by the way, is a stones throw from their back door. A beautiful home nestled right near the church. Jean is also very busy doing stained glass art and selling her art at craft fairs around the area. We were able to see her work in progress and it is beautiful.

We also had an enjoyable lunch with **Joy Price Kacena**. During our visit she informed us that she was diagnosed with breast cancer and considers herself lucky that it was found early. She is doing well and has retired from Edward Hospital in Naperville, Illinois. Joy and her hubby Jim, enjoy traveling and recently were swimming with stingrays in the Cayman Islands. She has two children and five grandchildren. Along with traveling, Joy enjoys time with her grandchildren and her Golden Retriever, Chelsea. Other favorites are reading and her new endeavor, golf.

Gloria Caracello retired from the Downers Grove National Bank in 2011 after 46 years. She has not wasted any time going after her dream of being a teacher. She subs every chance she gets, and is also teaching a Religious Education class once a week.

I, myself, retired in 2008 from Nunc, Inc. and Abbott Labs (Healthcare Industry) after 30 years. I will post more about myself in the

next newsletter.

In October, **Barbara Rayniak Buri** came in from Florida for the Sisters' Homecoming luncheon. We never expected to see her since her primary residence is now near Ft. Myers, Florida. It was great to see her and certainly a surprise.

Another surprise was **Nancy Wandra Rafferty** who also was in the area and attended the October luncheon. It was so great seeing her, too. She resides in Florida and Darien, Illinois. For those of you who may not remember her, she was in our class as a freshman before transferring schools.

Other class of '61 attendees at the 2012 Homecoming were **Sister Helen Jilek**, **Margaret "Peggy" Mosquera McCann**, **Georgia "Jean" Schloegel Mills**, **Judy Beumer**, the late **Patricia Seyller Smyth**, **Gloria Caracello** and myself, **Rosanne Carter Polich**.

In addition to the one-on-one encounters, I received e-mails from **Pat Donlan Ryan**, **Joyce Green Hoffman**, **Donna Thomas Green** and **Adrienne Pilot Garvey**. Here are a few highlights:

Pat lives in Arizona, as well as, four of her five children. Her fifth son lives in Iowa. She has three sons, two daughters, eleven grandchildren and two great grandchildren. (I remember back in school when we were playing basketball - I never thought she would try and start her own team!) Pat has retired from the Postal Service and has been doing some traveling, Norway and Alaska to name a couple of trips. She is just enjoying life and after five kids, I don't blame her. She also said **Shannon Mullany Jungels** came for a visit and they had a great time.

Joyce lives in Texas. She and hubby Phil have four children, eight grandchildren and five great grandchildren. They celebrated their 50th wedding anniversary on May 5th, 2012. Congratulations, Joyce and Phil!
Donna, Joyce's sister-in-law, lives in Florida and

~ ~ NEWS FROM OUR ALUMNAE ~ ~

has four children, many grandchildren and a great grandchild.

Adrienne lives in North Carolina and has recently retired after fifty years.

Hopefully, we will hear more from them in the future.

Unfortunately, here is the sad news; We lost two of our classmates in 2012, **Dorothy Harding Serna** and **Patricia Seyller Smyth**.

Dorothy lost her six year battle with breast cancer on November 6. She was going through another round of radiation when we talked with her during our reunion year of 2011. She even had plans to attend but, unfortunately, was never able to make it. She finally felt a little better in September of 2011 to make the trip back to Illinois. She and her family visited her old home in Westmont and some of the surrounding areas including Chicago. She also met with **Judy Beumer**, whom she had been in touch with over the years. Following is a picture of her and Judy from that trip.

After graduation, Dorothy attended DePaul

University and then the University of New Mexico, where she graduated with a degree in Economics. She married Michael in 1966 and had two daughters, Kathleen and Christina. She worked as a social worker for Child Protective Services in New Mexico until she retired in 2005. She moved to Austin, Texas to be near her grandchildren, Ryan, William

and Ethan. On a final note, she wrote to me last spring and said she received **The Echo** newsletter with our class page about the reunion and enjoyed reading it.

Pat passed away on December 7th from the West Nile Virus. It was a shock to all of us as we had just seen her at our Homecoming in October. She always made the effort to attend any functions we had and we are so glad we were able to share those moments with her. She is pictured in the photo from our informal dinner in April, 2012 shown previously in this newsletter.

Pat graduated from St. Francis University in Joliet and worked for Cook County as a social worker. She married Joseph and had three children, Mark, Timothy and Catherine. She then worked at a local accounting firm while her children were young. She attended St. Joseph Church in Downers Grove and was a member of their choir. She has four grandchildren, Kevin, Shane, Margaret and Emily who she loved dearly. Besides her family and friends, she loved animals. She was an advocate for rescue dogs and had her own rescued dog, Ashley. They both are in our thoughts and prayers and will be truly missed.

At this time, we would like to take this opportunity to ask you to please send an e-mail, a letter or make a phone call and let us know how you are doing and what is going on in your life.

We will continue to keep you informed about our classmates as long as we have the information to do so. So let's keep in touch and keep our Class of '61 newsletter page going for a long time to come.

We would also like to extend a special thank you to those who have been keeping in touch with us and to those who have attended the October Homecoming luncheons and also our informal dinner.

Hope to hear from you soon, and God Bless.

SHA Class of 1963 50th Reunion - Planning Update

An entire weekend of fun and reminiscing is planned for the **Class of 1963** at the **Lisle-Naperville Hilton Hotel**, 3003 Corporate West Drive in Lisle, October 18 - 20, 2013.

To kick off this 50th Reunion weekend, a Welcome Reception will be held at the Hilton on Friday, October 18th. On Saturday morning, October 19th, a special reunion Mass will take place at 11:30 a.m. in the Sacred Heart Monastery Chapel. Blessings will be given to the classmates in attendance, and remembrance prayers offered for those who are deceased. Several optional activities will be offered on Saturday afternoon for those who wish to participate.

Everyone will gather again at the Hilton on Saturday evening for the Reunion Reception/Dinner starting at 6 p.m. The estimated cost is **\$75** per person, to include a champagne toast and special memento. This will be a **cash bar** event. Anyone with memorabilia items to share at the Reunion dinner should please contact us. Display tables will be set up for those items. Note: Husbands and/or significant others are invited to attend, and a separate charge will be applied.

For the convenience of out-of-towners, a small block of Hilton rooms has been secured with a special group rate of \$89/night (plus tax) for the evenings of October 18th and 19th. Each individual will be responsible for her own hotel arrangements and hotel costs. More info regarding the hotel and how to take advantage of this group arrangement will be sent with the next mailing, along with a full weekend schedule of events.

So far, forty classmates said they plan to attend this year's reunion, and that attendance number could still grow as we keep finding more classmates who have lost touch over the years.

This 50th Reunion weekend coincides with the Annual SHA Alumnae Luncheon, also being held at the Lisle-Naperville Hilton Hotel on Sunday, October 20. All of our 50th Reunion attendees are encouraged to attend that luncheon as well, for which the details, pricing information and RSVP will be sent directly by SHA. Display tables will be set up during Sunday's Alumnae Luncheon for the 50th Reunion class to set up their memorabilia items.

For questions, or to make sure your name is on the mailing and/or attendee list, contact any of the planning committee members listed below: The SHA Class of 1963 Reunion Committee

Dear Alumnae of Sacred Heart Academy,

All of you who were with us at Homecoming heard that the Sisters were planning mornings of reflection in preparation for Advent and Lent. Sister Mary Bratrsovský and Sister Karen Nykiel shared historical background on the seasons, and the power of prayer to guide us on our personal journeys.

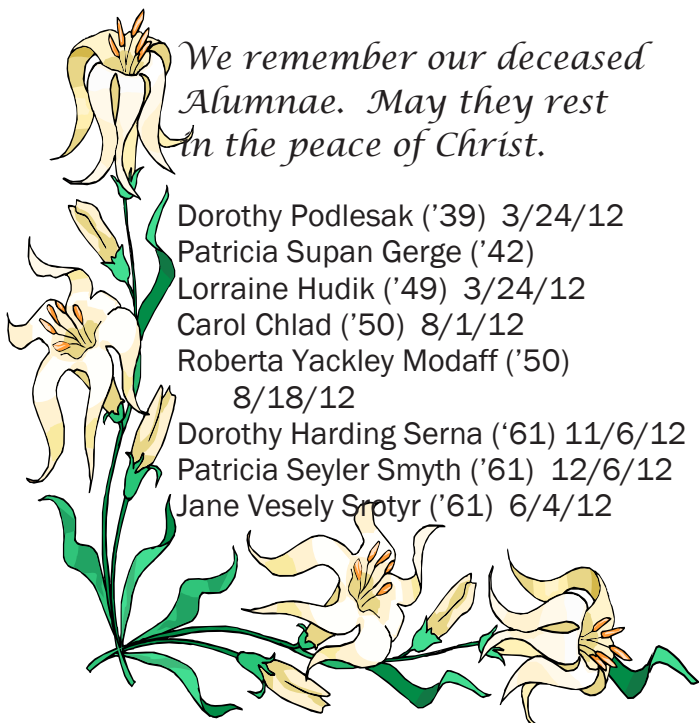

You can stay current with the activities at the Monastery by looking at our website, www.shmlisle.org, or our Facebook page, [Benedictine Sisters of the Sacred Heart](#). The Sisters are planning more spirituality programs, retreats and classes for the future and we will post the details at these sites.

We have recently mailed our Annual Appeal letter to all of our friends and family. Congress extended the provisions for Charitable Rollover Gifts through the end of 2013. Please consider this tax saving method of making a donation to the Sisters from your IRA account.

The Sisters invite you to celebrate the Eucharist in our Chapel - Monday through Saturday at 11:30am, Sunday at 10:00am. You know the way - through the old Academy front door, now Benedale Center.

I enjoyed looking through The Flame to find photos of some of your favorite teachers. There was certainly a full academic and social life here at the Academy. I hope to see many of you again at Homecoming, October 20th.

Estate Planning

Become a member of the **Benedictine Living Legacy Society** with your bequest to the Benedictine Sisters. Estate gifts are important for furthering the Benedictine Sisters' mission of hospitality, and in our growing ministry to the elderly.

Won't you join us in this important role? It's as simple as using the following language on IRA, insurance policy, or other beneficiary designation forms, or providing this language to your attorney for inclusion in your will or trust:

"I leave (e.g., % of my estate, \$ amount, residue) to the Benedictine Sisters of the Sacred Heart, Lisle, Illinois, to support their mission and ministry."

Thank you for considering this important and tax effective form of supporting the Benedictine Sisters at Sacred Heart Monastery.
